Minutes of the 77th/78th meeting of State Level Bankers' Committee held on 10.07.2020 has been circulated to all participants. A copy of the minutes is placed at **Annexure- A (Page No-30)** and the same may also be viewed / downloaded from website www.slbccchhattisgarh.com.

Agenda No. 2: Action Taken Report of the 77th/78th SLBC Meeting

Action Taken Report on minutes of meeting is placed at **annexure –A1 (Page No-38)**. The house is requested to approve the Action Taken Report.

Agenda No. 3: - Review of Banking Developments in the State

3.1.1. Status of opening of banking outlets in unbanked villages as per 5 km criteria (Uncovered Villages as per DFS GIS Mapping) and progress under RBI FIP roadmap for coverage of villages with population below 2000 : -

- Number of villages in State : 19,170
- Number of villages covered : 19,074
- **Number of unbanked Villages : 96 (99.50 % Covered)**

(Source-DFS GIS Mapping as on 27.11.2020)

Number of uncovered Villages was 312 as discussed in last SLBC meeting. Banks have covered additional 216 villages since last SLBC meeting.

As directed by the DFS, MoF, GoI these villages have been allotted to banks functional in respective districts for deployment of banking touch points like: Brick and Mortar Branch/ Bank Mitra. All allottee Banks are advised to cover remaining villages latest by 31.12.2020.

(District-wise, Bank-wise pending list is attached as Annexure-B (Page No.49)

Further, we draw kind attention of the house towards RBI Roadmap for coverage of villages with population below 2000 vide their Circular No RBI/ 2011-12/ 606 RPCD. CO. LBS. BC. No. 86 / 02.01.001/ 2011-12 dated June 19, 2012 in which banks were instructed to cover the villages with banking service. Also, the National Strategy for Financial Inclusion (NSFI) 2019-24 released on 10.01.2020, which has been prepared by RBI under the aegis of the Financial Inclusion Advisory Committee and is approved by the Financial Stability Development Council, aims to increase outreach of banking outlets to provide banking access to every village within a 5 km radius or a hamlet of 500 households in hilly areas. Banks are working on both the projects. Out of 19000 plus villages in our State, now only 96

villages are remaining to be covered which have been allotted to Banks functional in the respective districts. Progress is being monitored on regular basis and coverage is gradually increasing. Out of the remaining 96 villages to be covered, population is less than 100 in 13 villages, between 100 to 200 in 15 villages and between 200 to 300 in 19 villages. In these 47 villages, banks are facing difficulties in finding suitable person to be appointed as BC/CSP.

Since remaining villages under both the projects are being covered by the allottee banks under DFS project and coverage is now 99.50%, we request the house for treating the RBI Roadmap for coverage of villages with population below 2000 as completed.

Minutes of the subcommittee meetings are placed as **Annexure – G (Page No.59)**. Some of the important points recommended by the Sub Committee for discussion in Main SLBC meeting are as under:

9.1 Short term Agriculture Credit to tenant farmers / Oral lessees: It was resolved in the Agriculture Sub Committee meeting to form a Sub Group of officials from Revenue Department Government of Chhattisgarh, Banks and NABARD to recommend a specific Model to the State Government for arriving at a Model Tenancy Act for the state. Accordingly, we propose the constitution of Sub Group as under: -

SR No	Designation	
1	Director, Department of Revenue, Government of Chhattisgarh.	Chairman
2	Director, Institutional Finance, Government of Chhattisgarh.	Member
3	Director, Department of Agriculture, Government of Chhattisgarh.	Member
4	Director, Department of Law, Government of Chhattisgarh.	Member
5	General Manager, NABARD	Member Secretary
6	Assistant General Manager looking after the relevant area from all three Lead Banks, Apex Bank and CRGB	Member

House is requested to approve the constitution of the sub group.

9.2 Monograph on the State of Sikkim's Organic Transformations to promote organic farming in the state and setting standards thereof: The suggested information on Sikkim model was shared with all banks and issue also discussed in meeting of SLBC Sub committee on Agriculture.

Further, as suggested in the RBI Letter No. FIDD (RAI) No. 6 / 01.22.01/ 20-21 dated 05.08.2020 to form a subcommittee for promotion of Organic farming in the state, we propose to keep this point under the purview of existing SLBC Sub Committee on Agriculture.

We also propose to include Director, in Charge of Organic Farming, GoCG as a member of SLBC Sub-committee on Agriculture.

The House is requested to approve the same.

9.3 Determination of crop duration for each crop : RBI Master Circular on Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances (DBR.No.BP.BC.2/21.04.048/2015-16, dated July 01, 2015) details the guidelines for Asset Classification for agricultural advances. As per para 4.2.13 of the guidelines, the 'crop season' for determining the NPA classification of agricultural advances would be as fixed by the SLBC in each State.

The details of crop duration for each crop grown in Chhattisgarh is attached as "**Annexure-R**", **Page no. 101** (Source: - Research Services, Indira Gandhi Krishi Vishva Vidhyalaya, Chhattisgarh- IGKVV.). We request the house to fix the Crop duration for each crop of the state as recommended by the IGKVV. As mentioned in the details of crop duration the major portion of crop production is grown in Kharif season only (e.g. Paddy Kharif is grown in 3711.48 thousand hectare and Paddy Rabi is grown in 56.42 thousand hectare only). Hence cropping pattern in the State may be considered as Mono Cropping.

We request the house to approve the same.

9.4 Reducing kind component in KCC sanctioned by Cooperative Bank: SLBC subcommittee on Agriculture deliberated upon the issue of payment of cash and kind component under KCC given by Cooperative Bank. As per the study conducted by NABARD in Bastar district, only 76% of the sanctioned limit could be disbursed due to underutilization of limit under kind component. APEX Bank official explained the importance of the kind component but Sub-committee members were unanimous in decreasing the kind component from 40% to 30%. Accordingly, we request the house to approve the same.

9.5 Review of Prime Minister Formalisation of Micro Food Processing Enterprises Scheme (PM FME) : Ministry of Food Processing Industries (MoFPI), in partnership with the States, has launched an all India centrally sponsored "PM Formalisation of Micro Food Processing Enterprises Scheme (PM FME Scheme)" for providing financial, technical and business support for upgradation of existing micro food processing enterprises.

The objectives of the scheme are:
