(Source- DBT GIS Mapping)

(District-wise, Bank-wise list of 62 unbanked villages with connectivity status is attached as **Annexure - B (Page No. 82-83).**

DoT officials informed SLBC that out of 62 Unbanked Villages as on 30.06.2026, only 25 villages are having Network Connectivity. The banks concerned at these 25 unbanked locations where connectivity is available has been advised to open banking outlet by July 31, 2026.

Summary of Unbanked Villages as on 30.06.2026 is attached as **Annexure - B1 (Page No.84).**

It is pertinent to mention that out of remaining 37 villages to be covered, in 12 villages population is less than 100, in 10 villages population is between 101-200, in 12 villages population is between 201-500 and in 03 villages population is between 501-700. In these 37 villages, banks are facing challenges due to lack of proper data connectivity, lack of proper roads, LWE security issue and also not finding suitable person to be deployed as BC/CSP due to viability issue.

During deliberation of Sub-Committee on Financial Inclusion, the Chairperson reviewed the status of opening of banking outlets in unbanked villages as per 5 km criteria provided by DFS, GoI. As on 30.06.2026, there are 62 unbanked villages out of which there is connectivity in 25 locations. The allocated banks have been advised to cover these villages by banking outlets by end of July' 2026. Regarding 37 locations where there is no connectivity, some of the allocated banks apprised the Chairman that these villages cannot be provided Banking facilities due to various constraints such as poor roads, low population, Network Connectivity (Internet), LWE Area security issue and also not finding suitable persons to be deployed as BC/CSP due to viability issue. The Chairperson advised SLBC to include the list of such villages which cannot be covered owing to various constraints such as poor roads, low population, Network Connectivity (Internet), LWE Area security issue and also not finding suitable persons to be deployed as BC/CSP due to viability issue for removal from the list of Unbanked villages as agenda in upcoming SLBC quarterly meeting. Hence, recommended for removal from the list of unbanked villages provided by DFS.

The list of such 05 villages for removal from the list of uncovered villages as provided by DFS is placed below: -

Review of Operations of Business Correspondents:

The data received from member banks for the active and inactive BCs in the state of Chhattisgarh is as under for the quarter that ended in June 2026**:**

State	Total No. of Bank Mitras (BC)	Active BCs	In-active BCs	% of inactivity
Chhattisgarh	**55,444**	**34,953**	**20,491**	**36.96**

List of Banks with inactive BCs as on 30.06.2026: -

Sr. No.	NAME OF THE BANK	Total Bank Mitra	Active Bank Mitra	Inactive Bank Mitra	% Inactive BCs	
					March-26	June-26
1	FINO PAYMENTS BANK	22505	5447	17058	**76.59**	**75.80**

10	BANK OF BARODA	1734	1575	159	**12.03**	**9.17**

IDFC FIRST Bank, HDFC Bank & AIRTEL PAYMENTS BANK have increased the inactive BCs as compared to March 2026. As it can be inferred from the above data, member banks are requested to monitor the BC activities and bring to light the hurdles faced by them at the grassroots level for effectively carrying out their services. The member banks are advised to discontinue inactive business correspondents and onboard new business correspondents to improve the percentage activity ratio.

During 100th SLBC meeting for quarter end Sept' 2025, The Chief Sectary, Govt. of Chhattisgarh shown his displeasure that these Banks are not taking due cognizance of increasing number of inactive BCs which has resulted for making the area unbanked. Banks should replace the inactive BCs with new or active BCs.

In June'2026, Chhattisgarh demonstrated an increase in the Credit Deposit Ratio (CDR), reaching 83.49%, as compared to 80.42% in the same month of the previous year. This suggests a positive trend in the utilization of deposits for credit purposes within the state. Chhattisgarh's higher CDR, almost to the national average, suggests a relatively higher reliance on credit mechanisms within the state.

This could be attributed to a variety of factors, including increased investment opportunities, business expansion, and a general optimism in the economic landscape of Chhattisgarh.

Banks with CD ratio below the Bench mark of 60% must review the performance of their branches with very low credit portfolio and initiate necessary corrective steps. Out of 6 Banks having CD ratio below benchmark, there is Q-o-Q & Y-o-Y growth in CD ratio of **SOUTH INDIAN BANK, APEX BANK, CENTRAL BANK OF INDIA & UJJIVAN SMALL FIN. Bank** whereas **KARUR VYSYA BANK** witnessed negative Q-o-Q **& BANK OF MAHARASHTRA** witnessed negative Y-o-Y growth.

District-wise position of CD Ratio is as under: The Credit Deposit Ratio (CD Ratio) serves as a valuable metric for assessing the health and inclusivity of the banking sector in different regions. Disparities observed in Chhattisgarh emphasize the need for a nuanced approach to financial development, ensuring that all districts Contribute to and benefit from the overall economic progress of the state.

Districts with High CD Ratio (Above 100%): Two districts viz. Raipur (124.68%) & Dantewada (115.71%) in Chhattisgarh reported a CD ratio exceeding 100% in June’ 26, indicating that the banking system is lending more money than it holds in deposits. This status can be indicative of a robust banking sector that actively supports economic activities within these districts.

Districts with CD Ratio below 60%: - Fifteen (15) districts in the State are experiencing CD ratio below 60% in June’ 26 as compared to 19 districts in the March’ 26, indicating comparatively lower credit deployment. These districts present untapped potential for credit expansion, particularly under agriculture, MSME and priority sector lending.

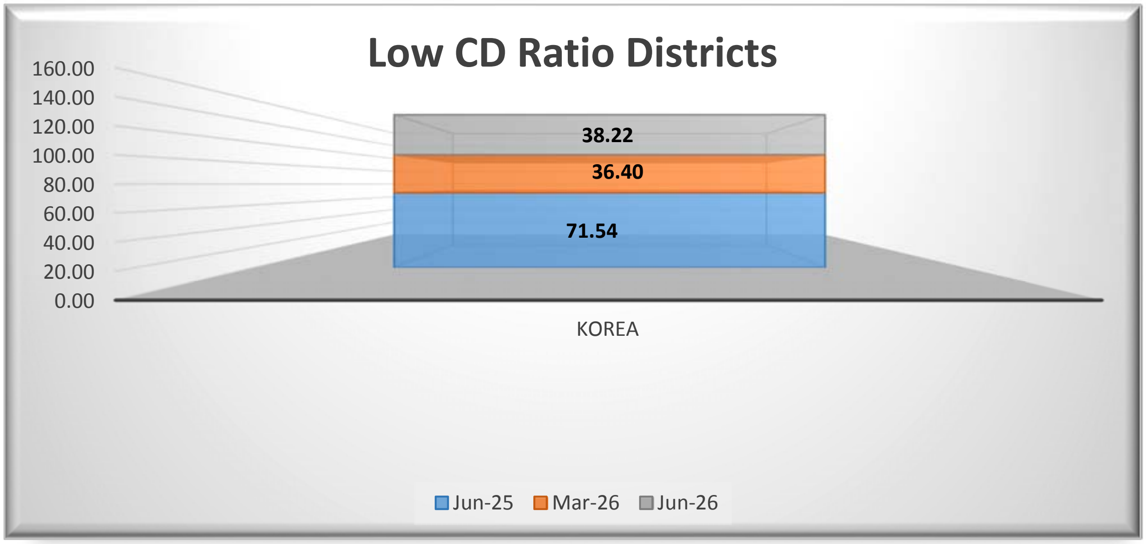
Districts with CD Ratio below 40%: - Notably, only one districts namely Korea districts is having low CD ratio of 38.22% in quarter June’ 26, highlighting significant scope for improving credit penetration. This situation calls for targeted interventions to stimulate credit flow through enhanced financial literacy, promotion of entrepreneurship, and strengthening of bank outreach.

The Korea district was having CD ratio of 71.54% as on June’ 25 and the reason for the drastic change in Korea district is result of reallocation of one branch of Indusind Bank Ltd. to Manendragarh-Chirmiri Bharatpur (MCB) district and also Seasonal & Accounting Factors, Structural Economic Constraints, Weak MSME & Industrial Base are some of the key factors that affecting low CD ratio.

This designation highlights the need for targeted interventions to stimulate credit flow in these areas, potentially through initiatives that promote financial literacy, entrepreneurship, and economic development. As per guideline of LBS, Special Sub-Committees (SSCs) of the DCC should be set up in the districts having CD Ratio less than 40 percent, in order to monitor the CD Ratio and to draw up Monitorable Action Plans (MAPs) to increase the CD Ratio. The Lead District Manager (LDM) is designated as the Convener of the SSC which, in addition to the District coordinators of banks functioning in the area, should comprise of the LDO of RBI, the DDM of NABARD, the District Planning Officer or a representative of the Collector duly empowered to take decisions on behalf of the district administration. The LDMs of low performing districts where CD ratio is below 40% has been advised to give special attention to the potential of the districts for increasing CD ratio above 40%.

Implications and Policy Considerations: Disparities in CD ratios across districts within Chhattisgarh indicate varying levels of economic activity and financial inclusion. While districts with high CD ratios showcase the success of banking institutions in supporting economic growth, low CD ratio districts signal areas that may require targeted efforts to enhance financial accessibility and promote economic development.

Government authorities, policymakers, and financial institutions should collaborate to implement tailored strategies for districts with low CD ratios. This may involve initiatives such as improving financial literacy, providing incentives for banks to operate in these areas, and facilitating access to credit for small businesses and entrepreneurs.



7. Priority Sector Advances:

The ratio of Priority Sector Advances to total Advances has been computed as per the instructions contained in Para 5.1 of RBI's Master Directions- Priority Sector Lending (PSL) - Targets and Classification letter no. RBI/FIDD/2020-21/72 dated September 04, 2020. Though, the parameters involved in ANBC/ CEOBE are not available at the State level, the ratio of PSA to total advances has been computed by considering outstanding of total advances as on the corresponding date of the preceding year i.e. 30.06.2025.

An analysis of the performance in terms of the targets is presented as under:

i. The % wise growth under various areas of priority sectors in respect of **All Banks (Excluding RRB and SFBs)** was under: -

Small and Marginal Farmers	4.17%	2.89%	57.45%	6.13%	17.11%	5.81%

Public Sector Banks recorded Priority Sector Advances at **45.81%,** surpassing the prescribed benchmark of 40%. Among sub-categories, **Agriculture Advances** at **11.77%** (benchmark: 18%) and **Weaker Section Advances** at **8.84%** (benchmark: 12%) — while Micro Enterprises at **12.97%** (benchmark: 7.5%) and **Small and Marginal Farmers** at **4.17**% (benchmark: 10%). However, **Agriculture Advances**, **Weaker Section Advances** and **Small and Marginal Farmers** marginally fell short of their respective stipulated benchmarks, warranting focused attention to bridge the gap in these categories.

Private Banks recorded Priority Sector Advances at **61.15%**, exceeding the 40% benchmark. Among sub-categories, **Micro Enterprises** at **18.54%** (benchmark: 7.5%) surpassed its prescribed benchmark. However, Agriculture Advances at **13.49%** (benchmark: 18%), **Weaker Section Advances** at **9.99%** (benchmark: 12%), and Small and Marginal Farmers at **2.89%** (benchmark: 10%) remained significantly below their stipulated benchmarks, warranting urgent and targeted intervention.

Co-operative Banks — no specific benchmarks are prescribed for Co-operative Banks. Nevertheless, their performance reflects strong credit outreach, with Priority Sector Advances at **108.65%**, Agriculture Advances at **102.74%**, Weaker Section Advances at **92.54%**, and Small and Marginal Farmers at **57.45%**, indicating robust overall performance with Micro Enterprises remaining an area of concern.

RRB (CGB) remained marginally below the prescribed benchmark of 75% under **Priority Sector Advances** at **73.52%**. Among sub-categories, **Agriculture Advances** at **36.04%** (benchmark: 18%), **Weaker Section Advances** at **55.37%** (benchmark: 15%), and **Micro Enterprises** at **17.68%** (benchmark: 7.50%) all comfortably exceeded their respective benchmarks. However, **Small and Marginal Farmers** at **6.13%** (benchmark: 10%) marginally fell short of the prescribed benchmark, necessitating focused efforts in this segment.

Small Finance Banks (SFBs) surpassed the prescribed benchmark of 60% under Priority Sector Advances with an achievement of **87.24%**. Among sub-categories, **Agriculture Advances** at **29.88%**
(benchmark: 18%), **Weaker Section Advances** at **39.52%** (benchmark: 12%), **Micro Enterprises** at **37.99%** (benchmark: 7.5%) and **Small and Marginal Farmers** at **17.11%** (benchmark: 10%) all comfortably exceeded their respective benchmarks.

The Member Banks which are below the benchmark (as per **Table No. 1(D) (Page No. 123)** are requested to improve their performance under Priority Sector, Agriculture and Weaker Section advances, so as to achieve the National Goals.

12. Flow of credit to MSMEs:

The MSME sector in Chhattisgarh is strong due to abundant mineral resources, a good power supply, and a focus on traditional and modern industries like steel, food processing, and handicrafts.

Key sectors in Chhattisgarh's MSME sector

- **Minerals and Metals:**

  Industries such as steel re-rolling mills, mini steel plants, and Ferro-alloy units are well-established, leveraging the state's mineral wealth.

- **Agro-based and Food Processing:**

  Given Chhattisgarh's agrarian economy, the food processing sector is actively promoted through mega food parks and cold chain logistics support.

- **Traditional and Rural Industries:**

  The state has a strong foundation in traditional handloom, handicraft, and village industries, which are an important component of its socio-cultural heritage.

- **Manufacturing:**

  A wide range of manufacturing units are present, including those for agro-based products, chemicals, plastics, and construction materials.

- **Emerging Sectors:**
  The state is actively working to attract investment in sunrise industries like pharmaceuticals, IT/ITeS, and textiles.

12(a). Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE):

With a view to provide support to first generation entrepreneurs in setting up their business in small & micro sectors, the Central Government launched the Credit Guarantee Scheme (CGS) in the year 2000. The scheme is intended to provide relief to prospective borrowers by making available credit facilities without the hassles of collateral & third party guarantee. The Credit Guarantee Scheme seeks to reassure the member lender that, in the event a covered borrower, who availed collateral free credit facilities, fails to discharge its liabilities to the lender, the Guarantee Trust would make good the loss incurred by the member lender.

To make operational the scheme, Ministry of Micro, Small & Medium Enterprises (MSME), Government of India and Small Industries Development Bank of India (SIDBI) set up the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) which came into force from August 1, 2000. **CGTMSE has increased the ceiling of guarantee coverage from Rs 5 crore to Rs 10 crore under Credit Guarantee Scheme – I (for Banks) and has reduced the Annual Guarantee Fee for Guarantees above Rs 1 crore up to Rs 5 crore under Credit Guarantee Scheme – I (for Banks).** The main objective is that the lender should give importance to project viability and secure the credit facility purely on the primary security of the assets financed. The other objective is that the lender availing guarantee facility should endeavor to give composite credit to the borrowers so that the borrowers obtain both term loan and working capital facilities from a single agency. Credit Guarantee Cover under the scheme is beneficial for both the Banks and the Borrowers. Moreover, the NPA resolution process for the Bank is quicker through settlement of guarantee claims compared to the usual process involved in enforcing collateral, third party guarantee etc.

MSME Directions were updated on February 9, 2026- Major Updates

- Banks are mandated not to accept collateral security in the case of loans up to Rs. 20 lakh extended to units in the MSE sector. Banks are also advised to extend collateral-free loans up to Rs.20 lakhs to all units financed under the Prime Minister Employment Generation Programme (PMEGP) administered by KVIC.

- Banks may, on the basis of good track record and financial position of the MSE units, increase the limit to dispense with the collateral requirement for loans up to Rs. 25 lakhs as per their internal policy.

- Banks may avail the benefit of Credit Guarantee Scheme cover, where applicable.

- However, accepting gold and silver as collateral pledged voluntarily by borrowers for loans sanctioned by the banks upto the collateral free limit, will not be construed as a violation of the above mandate.

All Member Banks are requested to cover all eligible micro and small enterprises loan accounts up to Rs. 10.00 crores mandatory under Credit Guarantee Scheme of CGTMSE as per objective of Ministry of Finance, Government of India.

13. Advances to Weaker Sections:

The ratio of advances to weaker sections to total advances has been computed as per Para 5.1 of RBI's Master Directions- Priority Sector Lending (PSL) - Targets and Classification letter no. RBI/FIDD/2020-21/72 dated September 04, 2020. Though, the parameters involved in ANBC/ CEOBE are not available at the State level, the ratio of Weaker Section Advances to total advances has been computed by considering outstanding of total advances as on the corresponding date of the preceding year i.e. 30.06.2025

Weaker Section Advances as on 30.06.2026: Rs. 35,231.57 crores.

Annual Credit Plan 2026-27:

The State Focus Paper projects the credit potential of the State for Priority Sector activities as defined by Reserve Bank of India. The projections outlined for these sectors serve as a guiding factor for financial institutions, enhancing ground-level credit flow to the Priority Sector activities, especially the agriculture term lending. The credit projections made for different sub-sectors of the priority sectors at State level is the aggregation of district level potentials assessed by District Development Managers/DDM-Rs by following a rational analysis after detailed consultations with various line departments of the State Government, banks and other stakeholders in the district.

The State Focus Paper, which is being published annually by NABARD has assessed the total amount of potential for all the 33 districts of the State for the year 2026-27 at Rs. **1,44,864.69** crores under Priority Sector. Of this, 56% pertains to the MSME sector, 34% to Agriculture, and the remaining 10% to other priority sector activities. The potentials were arrived at keeping in view the stage of infrastructural development, demand of credit at grass root level, priorities, policies & schemes of Government of India, State Government and RBI.

The credit projections for Agriculture sector for 2026-27 is projected at Rs. **48,804.46** crores, of which Rs. **29,060.64** has been assessed under crop production, Maintenance and marketing while Rs. **19,743.82** crores has been assessed towards capital formation in Agriculture & Allied Activities including Agro-processing, Agri Infrastructure & Ancillary activities.

The credit potential for MSME sector has been assessed at Rs. **81,984.25** crores for the financial year 2026-27. While the total credit projections under Other Priority Sector which includes Export credit, Education, Housing, Renewable Energy, Social Infrastructure involving bank credit has been assessed at Rs. **14,075.98** crores. We had requested all Lead District Managers to refer Potential Linked Plan 2026-27 issued by NABARD for finalisation of Annual Credit Plan for the FY 2026-27. Accordingly, all LDMs have prepared District Credit Plan in accordance with the potential of the district in particular sector and estimated the total credit potential for Chhattisgarh State under Priority Sector at Rs. **1,38,451.58** crores. The credit projections for Agriculture sector for 2026-27 has been assessed at Rs. **47,044.65** crores. Social Infrastructure	19	56	10	-9	-47
Renewable Energy	43	590	398	355	826

The credit disbursement by banks in Other Priority Sector Viz. Export Credit, Social Infrastructure & Renewable Energy are very low against the target. Banks were instructed to focus on these sectors as they constitute the part of Priority Sector Lending. During 89th SLBC quarterly meeting some member banks apprised the house that the banks are disbursing in all these sectors but the data are not being reported in the CBS extracted file provided by Head offices of the respective banks. The Chair advised all banks to coordinate with their Head office and get rectify the files of all these sectors as they are part of Priority Sector Lending. Accordingly, SLBC has taken up matter with the State Head of all member banks requesting the State Head to escalate the matter to their respective Head offices for mapping of data related to Export Credit, Social Infrastructure & Renewable Energy. Yet most of the Bank have reported NIL Data during the quarter.

Expanding and Deepening of Digital Payment Ecosystem

Reserve Bank of India has launched a comprehensive initiative to encourage digitization of Payments and enhance financial inclusion through digitization throughout every district in the country. Initially this program was implemented in six districts namely- Mahasamund, Balod, Mungeli, Raipur, Durg & Korba in the state. Later on, this initiative was extended to all districts with aim to coverage of eligible operative saving accounts from at least from one digital transaction mode such as debit cards, Net Banking, UPI, Mobile Banking, AEPS and USSD. Similarly, eligible operative current accounts will be covered through any mode of digital mode like POS, QR Code, Net Banking and Mobile Banking.

The 24th meeting of the SLBC Sub-Committee on Expanding and Deepening of Digital Payment Ecosystem (EDDPE) was held on August 10, 2026 under the Chairmanship of Shri. Rishabh Kumar Parashar, Director, Directorate of Institutional Finance, Government of Chhattisgarh. The Chairperson advised LDMs and Banks functioning in all districts of Chhattisgarh to maintain 100% sustenance as the all districts of Chhattisgarh has been declared 100% digitization in terms of coverage of Savings and Current account by at least one digital product as on quarter ended March-26. They have also been advised to explore the possibility of covering those accounts which have been marked ineligible.

22. PMSVAMITVA Scheme:

The SVAMITVA scheme was launched on 24th April 2020 with the objective to enable demarcation of inhabited land in rural areas by using the latest drone survey technology. The Scheme aims at bringing financial stability to the citizens in rural areas by enabling them to use their residential property as a financial asset for availing loans and other financial benefits. With a view to unlock the economic potential of the residential assets in rural Abadi areas by leveraging them as collateral, Ministry of Panchayat Raj has suggested that the banks may be advised to closely interact with the State in the meeting of SLBC to work out modalities in this regard.

A meeting (through video Conference) under the joint Chairmanship of Joint Secretary, Ministry of Panchayati Raj and the Joint Secretary, Department of Financial Services was held on 10th August, 2023 to discuss the issues relating to bankability of Property Cards issued under SVAMITVA scheme with the officials of State Revenue Dept. / Land Revenue Dept. and SLBCs in the states of Madhya Pradesh & Chhattisgarh. The outcome of deliberations is summarized as under:

(I) In the states of MP & Chhattisgarh, State Govt. and Banks have clarified that SARFAESI Act will be applicable for the loans against property cards since the land is under use for residential or commercial purpose.

(II) Chhattisgarh Land Records Dept. (CLR) has included various suggestions (like inclusion of boundaries of properties, valuation, tehsil, village name etc.) of SLBC, Chhattisgarh on the format prepared for the property cards.

(III) CLR Dept. clarified that property cards can be registered as updated Khasra records are available which includes the owner’s name.

(IV) CLR may consider creating an Ab-Initio Title Deed/ Deemed Registration to avoid registration and stamp duty being paid by the property owners. This will help banks in creation of a registered mortgage.

SLBC, Chhattisgarh have taken up matter with CLR Dept. to provide the modified “Record of Rights” if there are any changes in the existing format copy to SLBC.

1. CLR provided modified “Record of Rights” and it was circulated to all member banks.
2. Drone survey of all 16001 abadi villages has been finished by 31st March 2024.
3. 2,02,065 Properties cards has been distributed out of 3,36,832 by **June’ 26.**
4. The member banks have been advised by SLBC to input their remarks on the legal sanctity of SVAMITVA Property Cards and also on the bankability of Property Cards for bank loans. Till date no banks has given their inputs on legal sanctity and bankability of property cards.

1. DEA Fund – Overall Achievement

As per the Department of Financial Services, Ministry of Finance, GoI direction, camp to settle Unclaimed Asset Fund has been organized in all 33 districts in phase wise manner based on the districts identified by DFS. During the review in the last SLBC meeting, Hon’ble Chief Secretory, Govt. of C.G. advised banks to share details of unclaimed Government accounts with the Department of institutional Finance; and ACS (Finance) shall issue necessary instructions to all departments for claiming the amounts from banks.

In this regard, a letter has been issued to All District Collectors and Treasury Officers by ACS Finance, with advisory to take necessary steps for claiming such amounts from the concerned banks. Based on the information shared by the Finance Department, about **1.21** lakh Government-related accounts maintained in various banks have remained inoperative for more than 10 years, with an unclaimed balance of approximately Rs. **121.53** crore, which has been transferred to the Depositor Education and Awareness (DEA) Fund in accordance with RBI guidelines.

SLBC has also advised all Banks and Lead District Managers (LDMs) to prioritise this matter and extend necessary support to the District Treasury Officers for completion of required formalities and lodgement of claims so that the unclaimed Government balances can be recovered and deposited in the Government Treasury at the earliest. Coordination between

LDMs, Banks, and District Treasury Officers may be ensured for timely resolution of the identified accounts. Institution wise summary, Bank wise and district wise status are as under:

2. Issues related to KYC / Re-KYC and reactivation of inoperative / frozen accounts: -

A pressing issue regarding the significant backlog in KYC and re-KYC process. This backlog has led to a large number of inoperative/ frozen/ dormant accounts, which in turn have adversely affected the crediting of DBT benefits to the beneficiaries' accounts, causing considerable inconvenience to account holders. This matter has raised concerns at the highest level, including the Government of India and the Reserve Bank of India, and requires immediate attention from all banks.

The bank may consider taking the following steps to streamline this process and minimize any inconvenience to account holders.

1. Conduct a Special drive or camps for Aadhaar seeding, Aadhaar updates and the reactivation of inoperative/ frozen/ dormant accounts.
2. Enhance the capacity of bank branches where needed to make the process of activation of such accounts smoother and hassle-free and facilitate seamless updation of KYC through non-home branches, online mode, or Video-based Customer identification Process (V-CIP) where feasible.
3. Deploy dedicated task forces or teams with BCs and bank officials to manage counters or kiosks outside branches in areas with a high concentration of accounts with pending KYC and re-KYC.
4. Conduct intensive customer awareness campaigns to educate account holders about the importance of KYC updates.

Banks are also required to furnish data in the format provided by the RBI on a monthly basis to monitor the progress. **Even after repeated reminders from SLBC, Member banks are not submitting data on time. The controlling head of member banks is requested to give personal attention for the submission of the data on a monthly basis.**

3. "Prime Minister Internship Scheme (PMIS) :- Pitot Project (Financial Year 2025-26 & 26-27)" :-

The **Prime Minister Internship Scheme (PMIS)** is a Government of India initiative announced in the **Union Budget 2024–25** to provide young people with practical exposure to the real-life business environment and improve their employability. The scheme is administered by the **Ministry of Corporate Affairs (MCA)**.

The principal objective of PMIS is to bridge the gap between **academic learning and industry requirements** by providing youth with training, practical experience and workplace skills. Internships are intended to expose young people to different professions and employment opportunities.

The Pilot Project initially targeted **1.25 lakh internship opportunities** and was implemented in two rounds during FY 2024–25 and 2025–26. The Pilot Project has subsequently been extended up to **December 2026**, with a target of **1.10 lakh internship opportunities**. Participation by companies is voluntary.
